

PATRON DONATION FORM

Patrons are the backbone of our Music Booster Group. Through generous donations from parents of students in the music programs, we are able to provide an enhanced musical experience for all students. The money collected by Boosters goes to finance entry fees for competitions, provides scholarships for students who aren't able to pay fees, provides music coaches to work with small groups of students to improve their skills, and many other things. We also purchase instruments, help pay for trips and occasionally treat the hard working students to a pizza night!

Please give as generously as you can! Donors are acknowledged in the programs at our concerts and on our booster website.
