

The Inglemoor High School Music Boosters

2022 Sherwood Forest Farms Wreath and Greenery Fundraiser

Welcome to our annual wreath and greenery fundraiser!

Our fundraiser will run as follows this year:

- Please direct potential customers to our website:
<https://sherwoodfundraiser.com/InglemoorMusicBoosters>
- Please place all orders online, for both local delivery and direct delivery orders. Please do not send any orders/money to school.
- Please make all payments online when ordering via Pay Pal/credit card.

Local Delivery Items and Direct Delivery Items are available. Please note the following:

- Local Distribution Items are shipped to us for distribution to Music Boosters families. These items will be delivered to us the week after Thanksgiving. A distribution date will be set, and these items will need to be picked up at school for delivery by the seller.
- Direct Delivery Items are shipped directly to the purchaser. These items will be delivered no later than two weeks after Thanksgiving. These items are more expensive since shipping is included in the cost, but this is a great option for out-of-town family and friends.

During checkout, on the Your Information page, please make sure you select a student from the drop-down menu in the **Credit My Order To** box. Inglemoor Staff-please select the Inglemoor Staff "student". This information is critical, especially for local delivery items, so we can sort orders for pick-up.

All orders are due on **OCTOBER 30, 2022**.

Thank you for supporting The Inglemoor High School Music Boosters!
