Tips for Preparing Donations

- Keep pairs of shoes together. Please tie them together by the laces or rubber band them together.
- Rubber band or tape together boxes of games or puzzles.
- Bag up clothing and linens to separate from other items.
- Tape remotes to electronic devices.
- Tape a note to the electronic device indicating if it fully works.
- Box or bag like items together, such as putting all the clothes together or all the dishes together in one container.
- For fragile items, please wrap them in paper and put them in a box marked "fragile."
